Items and terms subject to change

- Combo program is for Distributors in the lower 48 or continental U.S. For Hawaii prepaid is 5,000 pounds and for Alaska, these freight terms only cover freight to a forwarder in the Pacific Northwest.
- We reserve the right to change prepaid terms.
- These terms are for standard delivery to a business location in a box truck. Additional fees such as for a flatbed truck or accessorial charges including but not limited to: lift gate service, job site delivery, limited access, delay charges, etc. will be charged back to the Customer if these needs are not disclosed at the time of quote.
